Village with Longest Life Expectancy for Women

北中城村
OKINAWA KITANAKAGUSUKU

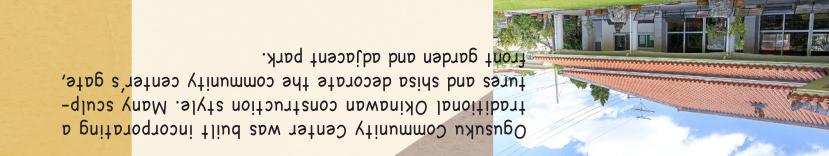

Orchids and many other flowers along with expressive shisa and artistic art decorate streets and paths in both hamlets. A harmony woven of history, culture and nature comforts the minds and bodies of those strolling along these roads.

1 Nakamura House
Culturally-Designated Important Cultural Property

Nakamura House is a characteristic of residential construction in Kitankagusuku. It is a two-story house with a tiled roof and a stone foundation. The interior features a large living room with a fireplace and a veranda overlooking the garden. The house was built in the early 19th century and has been well-preserved.
